SCHWING

SERVICE SEMINAR 2007

With variable displacement, load sensing, proportional hydraulic systems, even small concerns can become big issues. As an owner you know the importance of keeping your machine running at peak performance. By making a small investment in your employees today, you can save money in the future. When attending a Schwing Service Seminar, your employees will get classroom and hands-on training stressing the importance of daily maintenance, safety and emergency job-site repairs.

SERVICE SEMINAR 2007

- Hydraulic Schematic Reading/Troubleshooting
- Electrical Schematic Reading/Troubleshooting
- Radio Remotes
- MPS Systems
- Maintenance
- Emergency Job Site Repairs
- Safe Operating Procedures
- Hands-on Troubleshooting

Seminar fees include daily breakfast, lunch, and transportation to and from the hotel. Students will also receive the Service Manual on CD-ROM along with a printed copy of the Training manual. *Airfare, hotel and evening meals are not included.*

Signing Up is Simple!

Fax or mail your application.

We will process your application and send you a seminar confirmation along with lodging information and maps from the airport to the hotel and Schwing facility. (NOTE: We will make the hotel reservation for you. All students stay at our designated hotel. Rates per evening are approximately \$80.00 plus tax.)

Fly into Minneapolis-St. Paul International Airport. Students should plan to arrive the Sunday prior to their class and depart the following Friday. It is students responsibility to get to and from the airport. Cab fare from the airport to the hotel is approximately \$40.00.

FIELD TRAINING

If you don't have time to come to one of our Factory Service Seminars. Then let us come to you. Schwing offers on-site training for Schwing boom trucks, line pumps, material handling pumps and fire trucks. One of our qualified training instructors will come to your facility and provide a tailored training program to suit your needs.

Contact Phil Serre, International Director of Training and Multimedia, at (651) 429-0999 for details and cost.

Also available: CD-Rom's, videos, posters, and manuals to ensure you get the most out of your Schwing product. Call Schwing America's Parts Department 1-800-328-9635 for pricing or to place an order.
